

## How does it work?

---

**Earn money with Rehegoo, fulfil your passions and dreams.**

This short summary will help you understand how you make money on Rehegoo Licensing, how much you can expect to earn and how to get paid.

**Effective:** 26 November 2018

## Contract

---

It is a 12 months commitment if you choose to sign with us. We promote your tracks in online stores we work with and each track you have uploaded on Rehegoo will be available for selling of the commercial licenses through Rehegoo licensing and via potential licensing partners. It will boost your revenue share for each track sale and increase your chance to sell thanks to the potential partnership with other licensing services.

**Online Sales:**

Revenue share 55%

**Venue and Streaming:**

Revenue share 40%

## Rehegoo Licensing currently uses one currency

---

*You will start to receive your earnings three months after the sale of the license.*
